INTERVIEWERS PLEASE QUOTE
 NO. 152/6/93

Dear Sir,

General Sir Kenneth Anderson will unveil the Under-Secretary of State for War Memorial on Saturday, 16th November, 1957, at 11 a.m.

The Memorial commemorates the losses of 1,959 officers and men of the British Expeditionary Force who fell during the operations in Algeria and Tunisia between November 1942 and May 1943 and have no known grave. 2,500 soldiers, sailors and airmen, comrades of the men in whose honour the Under-Secretary of State Memorial has been built, are commemorated by individual headstones in the War Cemetery.

You will find a description of the Memorial enclosed.

Space will be reserved for relatives at the Unveiling Ceremony and the British Legion hope to be able to organise a pilgrimage on which those who so wish may travel to and from the Ceremony. The cost of travelling on this pilgrimage would, it is hoped, be substantially less than the fares and other expenses normally charged for the journey to and from Algiers-Tunis. If you are interested in joining this pilgrimage, please write to the British Legion, 49 Pall Mall, London, S.W.1.

If you would prefer to make your own travel arrangements to and from the Ceremony, any travel agency will be able to help you. Hotel accommodation within reach of Algiers-Tunis is, however, limited, and if you intend to make private arrangements for the journey I would advise very early booking of hotel rooms.

A certificate providing vaccination against smallpox within not less than fourteen days and not more than three years previously will require to be carried by all persons attending the Ceremony.

Tickets for the relatives' audience will be distributed through the British Legion to those who are desirous of travelling on the pilgrimage and intending pilgrims should make application to the General Secretary of the British Legion at the address above, as to their own travel arrangements. Please quote, in your application, the reference in this letter.

Relatives who intend to make their own travel arrangements should apply direct to me for tickets and the closing date for receipt of such direct applications is the 30th September.

Please note the addresses carefully. If you intend to go on the British Legion Pilgrimage write to the General Secretary of the British Legion. If you wish to make your own travel arrangements then write to me. By so doing you will avoid confusion and also enable us to reply more quickly to your letter.

Photographs of individual graves and names on the Memorial and general views of the Memorial and Cemetery will be obtainable from the British Legion, 49 Pall Mall, London, S.W.1, at a small charge.

Yours faithfully,
 W. J. Anderson
 SECRETARY.

THE UNDER-SECRETARY OF STATE MEMORIAL

The Memorial, which has been designed by Sir Robert Worthington, O.B.E., R.A., F.R.I.B.A., and built by the Imperial War Graves Commission, stands in the Under-Secretary of State War Cemetery, The War Cemetery, three miles outside the town of the same name, is about forty miles to the South West of Tunis and is set in a beautiful countryside with hills on two sides.

Two square stone pavilions flank the entrance gateway to the Cemetery and the Stone of Remembrance; beyond, on a raised terrace at the rear of the Cemetery, stand two pergolas at each end of a long wall with the Cross of Sacrifice between. On the piers and walls of these pergolas are inscribed the names of the 1,959 missing soldiers whom the Memorial commemorates together with these words:

1939 "THIS MEMORIAL BEARS THE NAMES OF THE SOLDIERS OF THE BRITISH COMMONWEALTH AND EMPIRE WHO GAVE THEIR LIVES WHILE SERVING IN THE FIRST AND SECOND WARS IN ALGERIA AND TUNISIA AND HAVE NO KNOWN GRAVE" 1945

On the wall facing the Cross of Sacrifice is carved:

"ON THIS BATTLEFIELD BATTLEGROUND OF THE ANCIENT WORLD TWO ARMIES CONVERGED FROM THE WEST AND THE EAST IN THE YEAR 1943 TO SET FREE NORTH AFRICA AND MARK THE WAY FOR THE ASSAULT UPON SOUTHERN EUROPE"

The Cross of Sacrifice, the Stone of Remembrance and the inscription and name panels are all cut from Portland stone. The walling and other masonry are constructed in Travertine and local stone.

2,500 of the comrades of the men in whose honour the Memorial has been built are commemorated by individual headstones on the graves in the War Cemetery.

I wish to place on record my appreciation of your great initiative and skill in handling your company on the 24th & 25th Sept. 1918 near COMINES.
